

VESSEL RE NAMING SERVICES

We carry out vessel re naming services either at dock or at anchorage. Vessel re naming services can be completed quickly thanks to our long history and our experienced numerous personnel who work simultaneously.

We paint away previous name, draw and paint new name on the vessel and vessel's Lifeboats, Rescue boats, Life rings/buoys, Life rafts etc. Our specialization is to work safe and fast always protecting the environment thus all our team staff are fully qualified and regularly trained as to prevent any environmental damage through the whole vessel re naming procedure. A vessel re naming is usually occurred upon her purchase.
